

PERSONNEL**Sales Representatives**

Sales representatives and agents of various businesses may talk with individual staff personnel during scheduled non-work time with the approval of the superintendent, building principal, Director of Community Education, or designee. Sales representatives/ agents are prohibited from advertising, promoting or attempting to sell products to staff personnel when such activity would interfere with said personnel's work responsibility.

Sales representatives/agents are prohibited from holding promotional meetings on school time or school property aimed at school employees, unless so arranged by the superintendent, building principal, Director of Community Education, or designee.
